------------------------------	------------------------------------	----------------------------------	---

Members that e-mailed/phoned in their absence included: Mike Thompson; Ron Lacina; David Clark.

The meeting started at 1:10 p.m. Discussion started by reviewing and approving the committee meeting minutes of July, 2008.

The next item of discussion was review of the 18<sup>th</sup> Annual Biosolids Conference, scheduled for March 18, 2009. The tentative program, with topics and speakers, were outlined as follows:

8:00 AM – 8:30 AM	Registration
8:30 AM – 9:15 AM	The Goal of Training and Certification: Meeting the Professional Needs of Biosolids Land Appliers. Panel Discussion, Association of Boards of Certification
9:15 AM – 10:00 AM	Dewatering Technologies – Marty Davidson, Alfa-Laval
10:00 AM – 10:15 AM	Break
10:15 AM – 11:00 AM	Agronomic Loading/Record Keeping – Scott Wienands
11:00 AM – 12:00 Noon	Panel Presentation on Producing Class A Biosolids Possible topics/members include: Fairmont, MN (Jim Rasmussen); Davenport; Newton
12:00 Noon – 1:00 PM	Lunch
1:00 PM – 1:45 PM	Lincoln, NE Biosolids Land Application Program – Steve Crisler
1:45 PM – 2:30 PM	Geotubes for Biosolids Dewatering or presentation on Dr. Thompson’s survey of land application sites.
2:30 PM – 2:45 PM	Break
2:45 PM – 3:30 PM	Biosolids Storage Options – Howard R. Green

Steve will prepare the speaker information form and send it to committee members. Steve will contact Ron Covert at ABC, follow up on potential speakers on Geotube dewatering, and check with Dr.

Thompson. Hank will contact Marty at Alfa-Laval and Bob Main at Newton. Jim will contact Scott Plett at Davenport.

Committee members also discussed the possibility of having a tour of a local WWTP as part of the conference. It was agreed that due to time constraints, and already having a complete program for the 2009 conference, that this should be considered for the 2010 conference.

Discussion on the Biosolids Field Guide was tabled since the subcommittee members were not present.

**The next committee meeting is scheduled for Dec. 2.**

The meeting was adjourned at about 2:00 p.m.

Thanks Again for all your hard work and dedication to the Biosolids committee, if it weren't for you the IWPCA would not be as GREAT as it is!!!

Respectfully submitted,

Steve Troyer,  
Biosolids Committee Chair
